

# SACFS CORPORATE STATEMENT 2018-2019

## MISSION

An integrated and trusted fire and emergency service contributing to safer and more resilient communities.

## WE VALUE

### Honesty

Being truthful and accountable, and having tough conversations when needed.

### Trust

Respecting others, having confidence in people to do their part.

### Integrity

Being inclusive, making fair decisions consistently.

## IN 2018-2019 SACFS WILL FOCUS ON:

### OUR PEOPLE

#### We will:

- Continue to invest in our professional and leadership skills at all levels through formal training, mentoring, learning and support.
- Deliver new ways to administer training and manage our membership information.

- Develop contemporary employment terms and conditions to enable our staff to better meet our operational needs and support our volunteers.

### OUR COMMUNICATIONS

#### We will deliver our internal communications plan to:

- Improve the way we connect with all volunteers and staff.
- Deliver accurate, timely and consistent messages.

### OUR RESOURCES

#### We will:

- Deliver best value vehicles, stations and equipment.
- Develop new ways to manage our fleet, to protect these assets and keep our crews safe.
